Suparco Road, Karachi

Qualification

Iqra University

I'm pursuing my computers science degree from Iqra University, Currently Studying in 6th Semester
2020 - Present

Board of Intermediate & Secondary Education, Sukkur

Intermediate in Pre-Engineering
Passed - May **2019**

Aptech Computer Education

Advanced Diploma in Software Engineering
2016 - 2019

Technical Skills

Frontend: HTML, CSS, Bootstrap, JavaScript, React.js

Backend: PHP, Laravel, MySQL

Tools & Platforms: Git, API Integration, MS Office

Soft Skills: Problem-solving, Communication, Time Management

Languages

English (Fluent)

Urdu (Native)

ADIL SAHITO

Full Stack Developer

EXPERIENCE

MSB IT SOLUTIONS

AUG 2020 – DEC 2025

SOFTWARE ENGINEER

Spearheaded the development and maintenance of the company's core websites and **CRMs** using **Laravel**, **HTML**, **CSS**, and **Bootstrap**, enhancing user experience and system performance.

Collaborated with **cross-functional teams** to design and implement scalable **REST APIs** that streamlined backend processes and improved application efficiency.

Delivered technical support to **troubleshoot** and resolve **complex issues** in both legacy and newly developed systems, ensuring **optimal functionality**.

Actively involved in code construction, database design, and **system architecture**, driving continuous improvements in software **reliability** and **scalability**.

INNOVATIVE NETWORKS

JUN 2020 – AUG 2020

PHP DEVELOPER (INTERN)

Developed a **dating web application** during a four-month internship, gaining hands-on experience in **full-stack development**.

Applied **Agile methodologies**, collaborating with senior developers to refine **PHP** and **MySQL** technical skills.

KEY STRENGTHS

Strong understanding of **object-oriented programming**, **API integration**, and **database architecture**.

Experienced in **end-to-end software development** from concept to deployment.

Effective communicator with a track record of working in **cross-functional teams**.

Adept at **solving technical challenges** with a focus on system optimization.

Excellent **time management skills**, ensuring on-time project delivery.
